

EXODUS

STUDY FIVE EXODUS 13:17-14:31

Read Exodus 3:17-4:31 together.

1. What stands out to you?

As you read through the passage, what details, events, or statements particularly catch your attention? What questions does the passage raise for you?

2. What do we learn about God?

Looking at what God says and does throughout the passage, what do we learn about His character, power, purposes, and faithfulness?

3. How do the Israelites respond?

Consider the Israelites' reactions throughout the passage, particularly when Pharaoh's army approaches and after they cross the sea. What do their responses reveal about their faith, fears, and understanding of God?

4. Who is responsible for Israel's salvation?

Look carefully at the actions of God, Moses, and the Israelites. What role does each play in the events? What does the passage emphasise about God's work in rescuing His people?

5. What is the significance of God's glory?

Read Exodus 14:4, 17-18 and 30-31. Why does God act in this way? What does He want Israel and Egypt to know about Him? How does the passage connect God's salvation with His glory?

6. What does this passage teach us about faith and trust?

What reasons did the Israelites have to trust God? Why did they struggle to do so? What can we learn from their experience about trusting God when we cannot see the way forward?

7. How does the rescue at the Red Sea point us to Jesus?

Israel was rescued from slavery, an enemy, and death.

- What greater salvation has Jesus accomplished for us? (John 5:24)
- In what ways is our salvation similar to Israel's rescue, and in what ways is it even greater?

8. How should God's salvation in Jesus shape our view of His glory?

Read the following New Testament passages to discuss this further.

- Romans 11:33-36 – How does this shape our worship and priorities?
- 1 Corinthians 1:26-31 – What should stop us from self-directed glory to boasting in God?
- Ephesians 2:8-10 – How does salvation from God alone lead us to purpose and good works (if He has completed salvation why bother doing anything?)
