

EXODUS

STUDY SIX EXODUS 15

1. Look back over our time in Exodus. Which moment or truth about God has stuck with you most? Why?

Read Exodus 15:1-12

2. What does the song say about who God is? Notice how personal it gets ("my strength", "my salvation", "my God"). Why does that matter?

3. Who does all the work here, and what is Israel's part? How does that shape the way we think about our own salvation? (Compare Ephesians 2:8-9.)

4. Israel hasn't reached the promised land, yet they sing as if it's secure. What are they trusting? What are you trusting God for right now that you haven't seen yet?

Read Exodus 15:13-18

5. The nations will hear what God has done and tremble. What does this suggest about who is watching when God saves his people? Who around you is watching your life, and what do they see?

6. How does God's faithfulness to us in the past, especially in Jesus, assure us of the future?

Read Exodus 15:20-24.

7. The people sing together, then three days later they're grumbling. Why do we forget so fast? What helps you keep praising God when life gets dry or hard?

Read Revelation 15:2-4

8. God's people are still singing the song of Moses, now alongside the Lamb. How does Jesus make this song ours? What does it look like to sing this song throughout your life, not just Sundays?
